

# Warehouse field was incorrectly disabled in the Move Lines to New Sales Order standard plugin - 7.00.175

## Problem

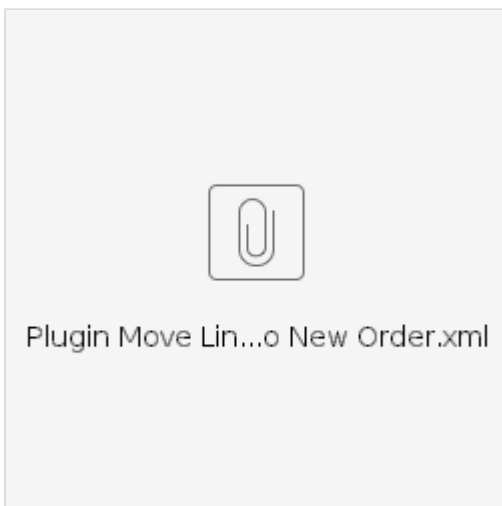

The warehouse field in the form loaded when using the standard plugin Move Lines to a New Sales Order was disabled

Part No.	Description	Quantity	Move This Line	Quantity To Move	New Forward Date	New Scheduled Date
1089-AX-SN	Network System - Custom Specif	2	<input checked="" type="checkbox"/>	2	20/11/2019	20/11/2019
1089-J-SN	Desktop - Custom Specifications	3	<input checked="" type="checkbox"/>	3	20/11/2019	20/11/2019
1089-P	Desktop Computer - Custom Spe	4	<input checked="" type="checkbox"/>	4	20/11/2019	20/11/2019

## Solution

Download the attached file and use Import from XML in the Plugin Maintenance screen to update this standard plugin.
